FORAGE AND GRAIN TRAILER

6.0 / 8.0 / 15.0

Trailer designed for transporting grains and heavy loads.

Quality and Robustness!

- Constructed from carbon steel of exceptional hardness, featuring a reinforced chassis, formed stamped steel panels, and U-shaped side columns designed to withstand heavy loads and stresses;
- Rear tailgate with automatic release, also designed for full opening through hinges and side locks;
- Fitted with mounting supports for upper sideboard extensions, increasing the load capacity (m^3);
- Tipping through three-stage hydraulic cylinder, operated by the tractor's hydraulic control;
- CFG 6.0 and 8.0 models with a tipping cylinder and CFG 15.0 with two cylinders;
- Equipment with NR-12 certification.
