VFMT

FORAGE WAGON TILTING MIXER ATTACHED TO THE TRUCK

12.0 / 14.0 / 18.0 / 24.0 / 27.0 / 32.0

Mixer for feed, hay, and short- or medium-fiber forage in the form of silage.

Mix with Quality!

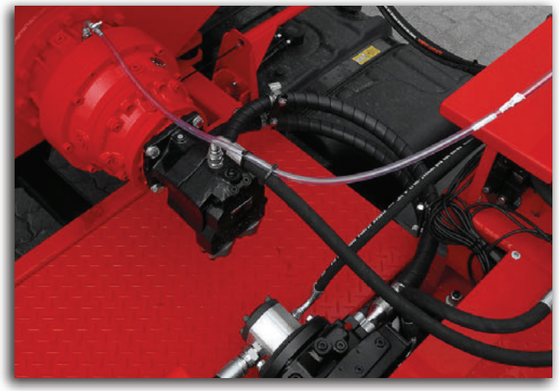

- *Provides a homogeneous mixture of the ingredients used in the animal diet;*
- *Dual rotor mixing system, divided into sections that gently tumble the ingredients, synchronized with alternating movement of two horizontal helical augers arranged parallel to the mixing rotor;*
- *Stainless steel cargo box;*
- *Stainless steel augers and bottom of rotor channel.*

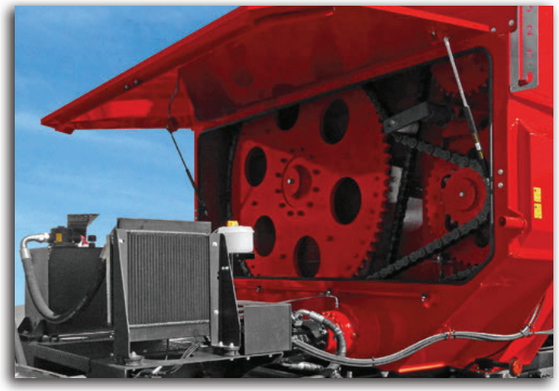

Options

- *Electronic scale.*
- *Magnetic plate on discharge chute.*
- *Polypropylene scraper.*
- *Remote display.*
- *Carbon steel cargo box and stainless steel bottom.*

Technical Specifications

Model	Capacity (t)	Capacity (m^3)	Weight (Kg)	Length (mm)	Width (mm)	Height (mm)
VFMT 18.0	8.5	18	7,520	6,800	2,600	2,250
VFMT 24.0	11.4	24	9,900	7,200	3,100	2,600
VFMT 27.0	12.8	27	10,715	7,900	3,100	2,600
VFMT 32.0	15.2	32	11,300	8,900	3,100	2,600

• Note: Specifications VFMT 12.0 and 14.0 on request
Weights and dimensions refer to the implement only and do not include the truck.
The maximum load capacity (t) shown above may vary depending on the density and type of product used.
