VFTMA AUTOMIX

NEW RELEASE

SELF-PROPELLED VERTICAL FORAGE WAGON

18.0

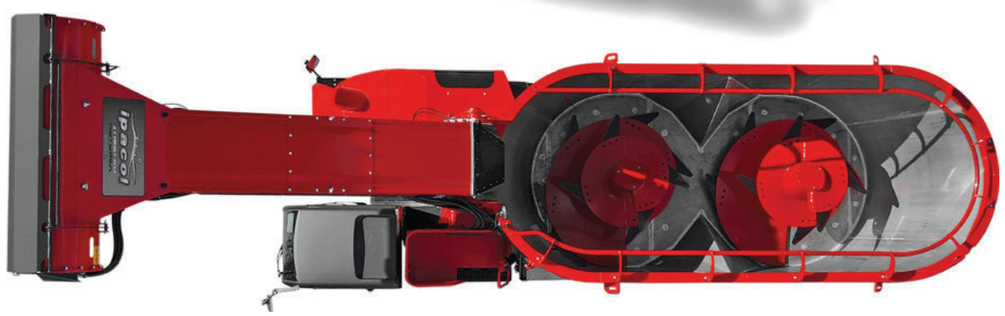

Evolution Over Time!

High capacity and fast loading, combined with technology, design and performance at your service.

Technical Specifications	
Volume (m^3)	18.0
Load capacity (kg)	9,000
Weight (kg)	12,000
Height (mm)	3,000
Cutter height (mm)	4,700
Width (mm)	2,300
Length (mm)	8,850

Efficiency and productivity!

- ► 2000 x 600 mm loading cutter, with 700 mm load channel, providing continuous flow and high throughput;
- ► Powershift system with two-speed mechanical transmission, ensuring power during operation, energy savings and reduced pollutant emissions.

Power and Versatility!

- ► 6-cylinder FPT NEF engine, 6700 cm^3 and 175 HP MAR-I, with option of 238 HP MAR-I;
- ► 4 x 2 drive, with 4-wheel drive and 4-wheel steering option, ensuring greater performance and terrain adaptability.

Robustness and durability!

- ► Reinforced monobloc chassis, designed to withstand the harshest working conditions;
- ► Front left discharge conveyor;
- ► Exclusive augers and knives that ensure excellence in silage mixing.

Comfort and Operational Safety!

- ► Cabin with ergonomic design, designed to provide complete visibility and safety in maneuvers;

Equipped with air conditioning and hydraulic front suspension, offering greater comfort for the operator.

THIS PRODUCT CAN BE CUSTOMIZED TO BETTER MEET YOUR NEEDS, CONTACT US AND COUNT ON OUR MANY YEARS OF EXPERIENCE IN THE MARKET!
