VFTMA AUTOMIX

SELF-PROPELLED VERTICAL FORAGE WAGON

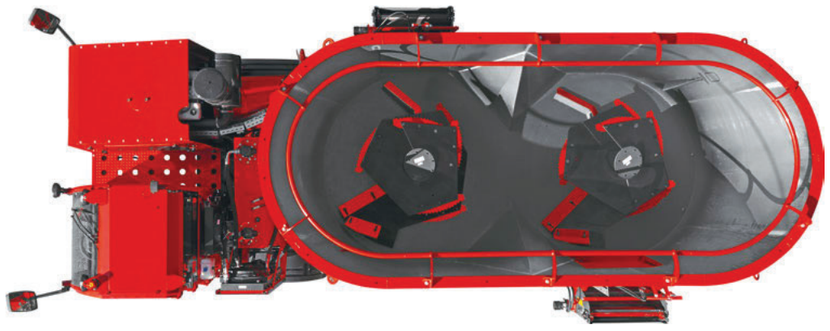

15.0

Vertical feed mixer wagon without loader, ideal for mixing and cutting fibers and a wide variety of dry materials, while allowing for a uniform discharge of the mixture.

Practicality and autonomy!

- ***Permanent 4x4 traction;***
- ***Maximum speed of 25 km/h;***
- ***Hydrostatic transmission system;***
- ***Front steering axle;***
- ***Hydraulic service brake;***
- ***Hydraulic parking brake with SAHR negative system;***
- ***Leaf-spring suspension;***
- ***Independent weighing system, fixed only in the cargo box, isolating other variables that may interfere with the weighing of the formulated diet;***
- ***Stainless steel cargo box;***
- ***Mixing system equipped with two augers, increasing its efficiency;***
- ***Mixer with two rotation speeds, that can range from 0 to 100%;***
- ***Hydraulically driven counterknife.***

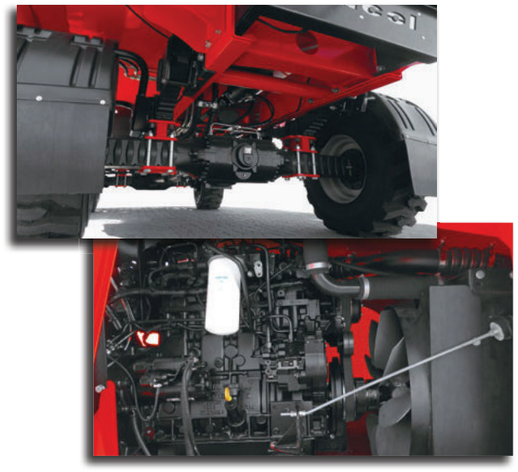

Other models and/or sizes on request.

Mixer wagon models by tipping system.

Optional

- ***Discharge conveyor.***
- ***Hydraulic lifting system.***
- ***Carbon steel cargo box.***

Technical Specifications / VFTMA 15.0	
Capacity (t)	7.5
Capacity (m³)	15.0
MWM engine (model)	4.12 TCE
Rated power (CV)	190
Maximum torque @ 1,500 rpm (Nm)	700
Engine speed at maximum power (rpm)	2100
Number of cylinders	4
Transmission	Hydrostatic
Number of gears	4
Electrical system (battery)	1 x 12 V
Tires	15 x 19.5 14 L
Cabin with air conditioning	Yes
Adjustable steering column	Yes
Overall height (mm)	3,120
Maximum width with two tracks (mm)	3,200
Maximum width without track (mm)	2,650
Overall length (mm)	7,700
Weight (kg)	9,350

Versatility and Technology!
