VFMT

NEW RELEASE

FORAGE WAGON TILTING MIXER WITH LOADER

6.0

Faster, more streamlined loading!

- *Equipped with a loader, the VFMT 6.0 provides greater loading autonomy and speed, eliminating steps and reducing the need for auxiliary equipment.*
- *Ensures homogeneous mixing of silage, feed and other ingredients, maintaining the quality of the diet and increasing the performance of the operation.*

Mix with quality!

- *Provides a homogeneous mixture of the ingredients used in the animal diet;*
- *Mixing system with rotor that provides a gentle tumbling of the ingredients, synchronized with the alternating motion of two horizontal helical augers arranged parallel to the mixing rotor.*
- *Stainless steel cargo box.*

Faster loading, reducing operating time and increasing day-to-day productivity.

THIS PRODUCT CAN BE CUSTOMIZED TO BETTER MEET YOUR NEEDS, BACKED BY OUR MANY YEARS OF EXPERIENCE IN THE MARKET!
